BOTH-TO-BLAME COLLISION CLAUSE

If the Vessel comes into collision with another ship as a result of the negligence of the other ship and any act, neglect or default of the Master, Mariner, Pilot or the servants of the Carrier in the navigation or in the management of the Vessel, the owners of the cargo carried hereunder will indemnify the Carrier against all loss or liability to the other or non-carrying ship or her Owners in so far as such loss or liability represents loss of, or damage to, or any claim whatsoever of the owners of said cargo, paid or payable by the other or non-carrying ship or her Owners to the owners of said cargo and set-off, recouped or recovered by the other or non-carrying ship or her Owners as part of their claim against the carrying Vessel or Carrier. The foregoing provisions shall also apply where the Owners, operators or those in charge of any ship or ships or objects other than, or in addition to, the colliding ships or objects are at fault in respect of a collision or contact.

NEW JASON CLAUSE

In the event of accident, danger, damage or disaster before or after the commencement of the voyage, resulting from any cause whatsoever, whether due to negligence or not, for which, or for the consequence of which, the Carrier is not responsible, by statute, contract or otherwise, the goods, Shippers, Consignees or owners of the goods shall contribute with the Carrier in general average to the payment of any sacrifices, losses or expenses of a general average nature that may be made or incurred and shall pay salvage and special charges incurred in respect of the goods. If a salving ship is owned or operated by the Carrier, salvage shall be paid for as fully as if the said salving ship or ships belonged to strangers. Such deposit as the Carrier or his agents may deem sufficient to cover the estimated contribution of the goods and any salvage and special charges thereon shall, if required, be made by the goods, Shippers, Consignees or owners of the goods to the Carrier before delivery.

“Disease” means a highly infectious or contagious disease that is seriously harmful to humans.

“Affected Area” means any port or place where there is a risk of exposure to the Vessel, crew or other persons on board to the Disease and/or to a risk of quarantine or other restrictions being imposed in connection with the Disease.

(b) The Vessel shall not be obliged to proceed to or continue to or remain at any place which, in the reasonable judgement of the Master/Owners, is an Affected Area.

(c) If the Owners decide in accordance with Sub-clause (b) that the Vessel shall not proceed or continue to an Affected Area they shall immediately notify the Charterers.

(e) In the event of Sub-clause (c) or (d) the Charterers shall be obliged, notwithstanding any other terms of this Charter Party, to issue alternative voyage orders. If the Charterers do not issue such alternative voyage orders within forty-eight (48) hours of receipt of the Owners’ notification, the Owners may discharge any cargo already on board at any port or place. The Vessel shall remain on hire throughout and the Charterers shall be responsible for all additional costs, expenses and liabilities incurred in connection with such orders/delivery of cargo.

(f) In any event, the Owners shall not be obliged to load cargo or to sign, and the Charterers shall not allow or authorise the issue on the Owners’ behalf of, bills of lading, waybills or other documents evidencing contracts of carriage for any Affected Area.

(g) The Charterers shall indemnify the Owners for any costs, expenses or liabilities incurred by the Owners, including claims from holders of bills of lading, as a consequence of the Vessel waiting for and/or complying with the alternative voyage orders.

(h) If, notwithstanding Sub-clauses (b) to (f), the Vessel does proceed to or continue to or remain at an Affected Area:

(i) The Owners shall notify the Charterers of their decision but the Owners shall not be deemed to have waived any of their rights under this Charter Party.

(ii) The Owners shall endeavour to take such reasonable measures in relation to the Disease as may from time to time be recommended by the World Health Organisation.

(iii) Any additional costs, expenses or liabilities whatsoever arising out of the Vessel visiting or having visited an Affected Area, including but not limited to screening, cleaning, fumigating and/or quarantining the Vessel and its crew, shall be for the Charterers' account and the Vessel shall remain on hire throughout.

(i) The Vessel shall have liberty to comply with all orders, directions, recommendations or advice of competent authorities and/or the Flag State of the Vessel in respect of arrival, routes, ports of call, destinations, discharge of cargo, delivery or in any other respect whatsoever relating to issues arising as a result of the Vessel being or having been ordered to an Affected Area.

(j) If in compliance with this Clause anything is done or not done, such shall not be deemed a deviation, nor shall it be or give rise to an off-hire event, but shall be considered as due fulfilment of this Charter Party. In the event of a conflict between the provisions of this Clause and any implied or express provision of this Charter Party, this Clause shall prevail to the extent of such conflict, but no further.

(k) The Charterers shall indemnify the Owners if after the currency of this Charter Party any delays, costs, expenses or liabilities whatsoever are incurred as a result of the Vessel having visited an Affected Area during the currency of this Charter Party.

(l) The Charterers shall procure that this Clause shall be incorporated into all sub-charters and bills of lading, waybills or other documents evidencing contracts of carriage issued pursuant to this Charter Party.

(ii)* be off-hire and the cost of bunkers consumed shall be for Owners' account.

(e) While the Vessel is at the port of deviation all port charges, pilotage and other expenses arising out of such crew changes shall be for the Owners' account.
